Wellard's –
*dedicated e-learning
for the pharmaceutical
and healthcare industries*

Wellard's Academy is an e-learning website providing quality NHS and clinical knowledge for everybody within the pharmaceutical and healthcare industries. Every user has their own username and password giving unique access to NHS information, news and e-learning. Since the website went live in mid-2003, our individual users have increased in number to over 11,000, representing over 200 companies.
